Deleting a Post

Posts · https://mister-mixmania.com/en/support/deleting-a-post/

1. Open the Posts overview

In the dashboard menu, go to **Posts → All Posts**.

2. Deleting posts

Delete a single post: hover over its title and click **"Trash"**.

Delete several posts at once: tick the checkboxes next to the posts you want, choose **"Move to Trash"** from the "Bulk actions" dropdown, and click "Apply".

3. Emptying the trash (optional)

Under **Posts → Trash**, you can restore individual posts or empty the trash completely. Permanently deleted posts cannot be restored.
